CMS principles

Since its beginning, over 200 years ago, CMS has followed five principles. They are:

1. Follow God's leading.
2. Put money in second place, not first.
3. Begin in a small way.
4. Under God, all will depend on the type of people sent out.
5. Look for success only from the Spirit of God.

The object of CMS is:

To work for the coming of God's Kingdom through the proclamation of the gospel of Christ throughout the world in fellowship with local churches.

lives transformed by Christ

we invite you to join us.

150 missionaries serving with **CMS** in over 30 countries worldwide.

Jo and 'Xanthe' sat down in the lounge room to talk. Xanthe had recently returned from studying in Australia for two years. During that time she met a lady who faithfully shared the good news of Jesus with her. Her return to her home in South Asia only strengthened her view that her old beliefs do not work.

She talked with Jo about how to become a believer, and together they looked at some important verses from God's word. Jo gave her a copy of the Bible in her own language. It was the first time she had read God's word in her mother tongue.

A few weeks later Xanthe had read the Bible from cover to cover. At home, by herself, she prayed and asked for forgiveness, committing her life to Jesus. Xanthe sent Jo an SMS message: "I believe".

Teaching the Bible in DR Congo.

Sharing real hope in South Asia.

Teaching theology in Indonesia.

Health training in Nepal.

Bible translation in the Northern Territory.

Around the world lives like Xanthe's are being transformed by Christ.

And it is thanks largely to Christians in Australia that this is possible. It is thanks to members who through their partnership, help proclaim the gospel and serve God's people around the world. You too can be part of this exciting work.

become a **CMS** member today

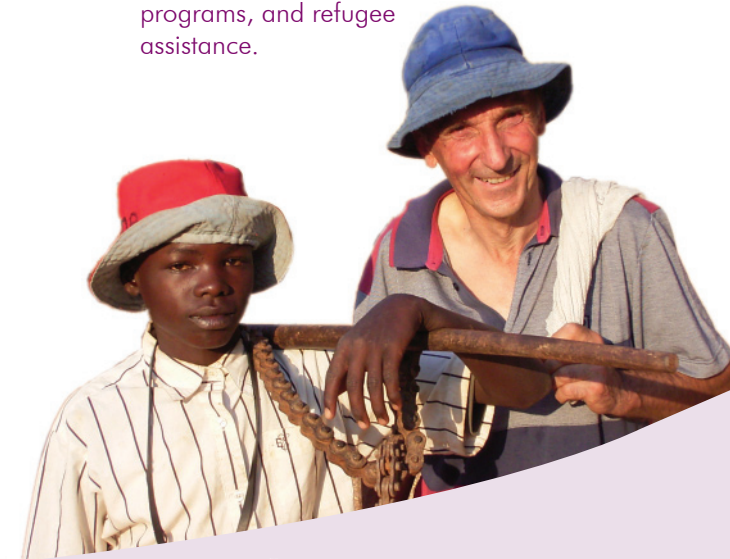

CMS members are ordinary people who help share Christ with the world.

As a member you will receive regular news so you can keep in touch with how God is at work around the world. Members are asked to commit themselves before God to pray regularly, to keep informed, to encourage missionaries and to financially support the work of CMS around the world.

To become a member and be part of mission with CMS, sign the form inside this leaflet and return it to your Branch.

CMS missionaries work in partnership with national churches and organisations:

- Proclaiming the gospel through primary evangelism, discipling, student work, Bible teaching, and church planting.
- Serving God's people through health and medicine, education, water sanitation, teaching English, agriculture development programs, and refugee assistance.

CMS is committed to proclaiming the gospel and serving God's people around the world to see lives transformed by Christ.

CMS is made up of members and missionaries who are passionate about the gospel and bringing the good news of our Lord Jesus Christ to those who do not know him.
